Fishing and Boating Clinics (listed below)

---

## Call To Register for Clinics: 614-645-3615

**-Spin Casting** (5 years to 12 years old) We supply the poles and bait, just sign up and get ready to fish! You will learn the basics of fishing including: equipment use, tackle, casting, retrieving, and other techniques.

**-Spin Casting** (adults only) Want to fish in Ohio, but not sure of how to start? This clinic will focus on what you need to know to fish in the local waterways.

**-Fly Fishing** (adults 15 and up) Fly fishing is a great outdoor activity that can be done throughout Ohio. This clinic will offer you the basic casting technique as well as other information to get you fishing!

**-Fly Fishing** (kids only 8 to 14) Similar to the course listed above, only this is just for kids!

**-Fly Tying** (ages 8 and up) Come and learn the art of fly tying. This introductory workshop will focus on the basics of fly tying and help you to get started in this fun and useful activity.

**-Canoeing** (ages 10 and up) This beginners course will teach you the basics to get on the water and start having fun! Topics include: parts of the boat, strokes, and safety.

Adults 15 and up must have fishing license to participate. Can be purchased at Gander Mountain.
